

Use and Indemnification:

“Buyer” (person, company or entity purchasing the inflatable product or device), is solely responsible for the manner of use of the products and other equipment purchased from **einflatables**. “Buyer” is solely responsible for all signage, labels and warnings to consumers or other users of the products and equipment, and for any and all other acts necessary, including user warnings and limitations (e.g., weight, height, number of participants and medical condition limitations), to ensure the safety of the users. “Buyer” acknowledges that they have received, read and fully understand all necessary instructions for the safe setup and operation of their **einflatables** product or device. “Buyer” agrees to operate their **einflatables** product or device according to the instructions established by **einflatables**. “Buyer” agrees to operate their inflatable product or device according to all state and local requirements. “Buyer” agrees to train any person(s) operating the inflatable product or device in the safe operation of the inflatable product or device including safe handling of emergency situations. “Buyer” shall use proper stakes, tie-downs, and other applicable devices necessary to ensure the safety of users and the general public. “Buyer” agrees to indemnify, defend and hold harmless Funtastic Factory, Inc. dba **einflatables** and its officers, directors, shareholders, employees and agents, against and in respect of any actions and all claims, demands, losses, costs, expenses, obligations, liabilities, damages, recoveries and deficiencies, including interest and penalties that **einflatables** shall incur, or suffer, which arise, result from, or relate to the use of goods and products sold to “Buyer” and used by “Buyer”, Buyer’s lessees, customers, and/or any other third parties using the goods and products, including but not limited to, any other persons injured by or on account of such goods and products described herein. In the event **einflatables** is required to commence an action to enforce this provision, “Buyer” shall pay all of **einflatables** legal costs and expenses.

Catastrophe!

This type of catastrophe can always be avoided by proper tethering utilizing the ground stakes provided and by having Trained Operator(s) on duty and avoiding inclement weather such as high winds i.e. winds in excess of 15 m.p.h.

Welcome to the World of einflatables!

einflatables knows that you'll get many years of excitement from your new purchase. Please read this booklet carefully and always follow all of the safety precautions.

Also, please read your “**Installation and Setup Manual**” and follow all recommended procedures. Always make sure to stake down (tether) your inflatable as described to avoid injuries. Be sure to have (1) Trained Operator on this inflatable at all times. Make copies of this supplement and make sure your Trained Operators have one with them at each job site.

Thank you for your business and feel free to call us if you have any questions regarding your inflatable.

Your partner in success,

einflatables

Procedures for evacuation!

Each blower tube has an automatic air flap that reduces the loss of air if the blower system goes off, however, all participants should be directed off the inflatable as shown by the arrow(s) below. In the event of a power outage or in an emergency take down, the participants should be directed to exit the slide and bouncer ASAP!

INSTRUCT ALL PARTICIPANTS TO ALWAYS FOLLOW SAFETY PROCEDURES!

WARNING! ONLY PARTICIPANTS OF COMPATIBLE SIZE SHOULD PLAY IN UNIT AT THE SAME TIME!

READ & FOLLOW ALL WARNING LABELS!

A Warning Label is placed on every inflatable that **einflatables** produces.

WHITTIER, CA 90606 (800) 569-0719

WARNING!

CAUTION: SHOCK HAZARD
 PLUG BLOWER INTO GROUNDED OUTLET ONLY!

To Avoid Electrical Shock This Unit Requires the Following Blower Type Only:

- 1HP Blower for 2 in 1 & 3 in 1 Mini Combo
- 2HP Blower for 3 in 1 Mini Deluxe, 4 in 1 Mini Combo & Mini Double Slide Combo

www.einflatables.com • email: info@einflatables.com

Directions

- Read "Installation and Setup Manual" completely.
- Layout ground tarp for combo.
- Position combo on tarp with a level ground area approximately 18' x 20'. Unit should have 4' clearance on all sides and 9' height clearance.
- Connect blower to air tube on unit making sure strap is firmly secure and no air is leaking.
- Blower system requires a dedicated 20 amp breaker.
- Turn blower on.
- Secure all tethers firmly to ground stakes after the unit is fully inflated.
- Bury stakes flush with ground.
- Do a safety check on the blower and extension cord.
- Do a safety check on the interior and exterior surfaces of unit looking for any moisture, debris, rips, tears or seams coming apart. (If noticed, do not use inflatable until repaired)

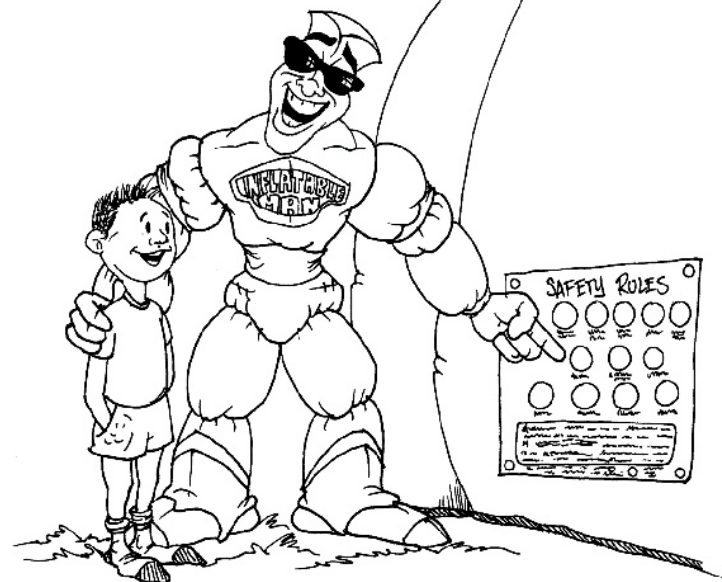

• Do not operate in winds over 15 m.p.h..

NEVER LEAVE THIS RIDE UNATTENDED!

- ADULT SUPERVISION IS REQUIRED AT ALL TIMES!
- ALWAYS INSTRUCT SAFETY!
- Instruct every participant to follow the Safety Rules on each inflatable.
- No flips, somersaults, Diving or rough housing.

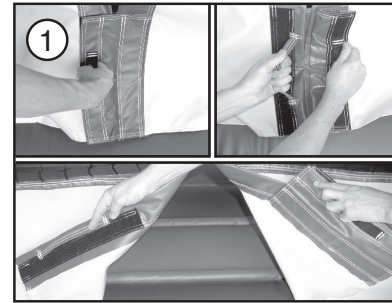

Warning:
Do not overload Ball Pit area. Keep balls clean and sanitized.

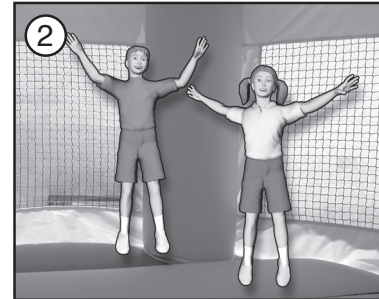

Warning:
Do not allow players to throw balls at each other or serious injury may occur! Keep balls out of bouncing area or injuries may occur!

Step by step Procedures for Mini Combos

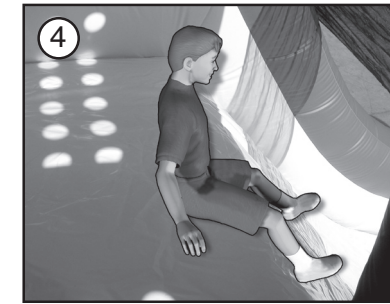

Pull on door handle with right hand and with left hand grab other handle and pull. Pull back both sides and enter bounce. When riders are inside, operator should lock door by connecting both sides with velcro flaps.

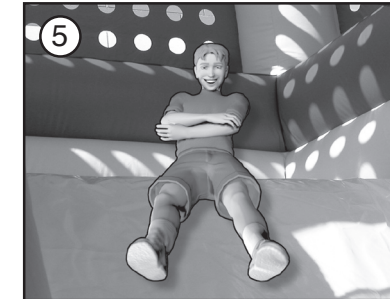

2. Start bouncing in the bouncer.

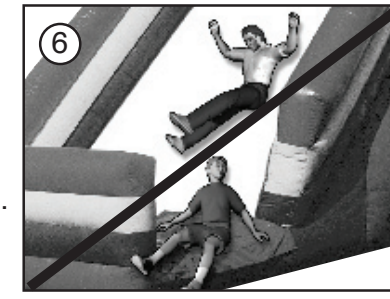

3. Climb up the stairs by leaning forward and grabbing bars to direct you to the top of the slide.

4. Sit down at the top of the slide.

5. With arms crossed over your chest, slide down the slide feet first only.

6. KEEP LANDING AREAS CLEAR!

• Operators should not allow participants to slide down until slide landing area is clear of riders.

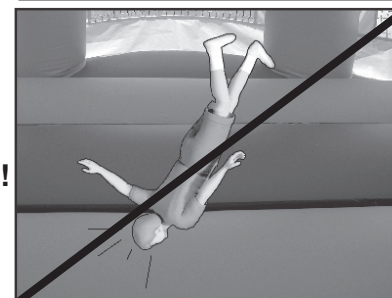

AVOID INJURIES!

- DO NOT enter the slide lane head first!
- Be sure to sit down at the top of the slide with your feet out in front of you, then push off going feet first only.

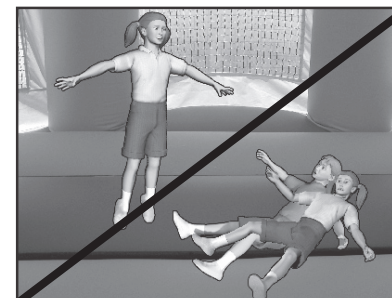

AVOID INJURIES!

- DO NOT land head first or serious injury may occur. No flips, somersaults or rough housing!
- Be sure that you position your body upright so you do not land on your head.

KEEP MATTRESS AREAS CLEAR!

- Operators should not allow participants to continue bouncing until mattress is clear of all fallen occupants.

Operators must take control!

CAUTION: Do not allow more than 1 rider on slide at a time.

Be sure to instruct all operators of the correct procedures to have all passengers follow as they bounce in the inflatable.

WARNING!
Do not overload unit!

WARNING!
ONLY PARTICIPANTS OF COMPATIBLE SIZE SHOULD PLAY IN UNIT AT THE SAME TIME!
